

SUMNER COUNTY SHERIFF'S OFFICE

2ND ANNUAL C.H.A.M.P. CHARACTER - HONESTY - ATTITUDE - MOTIVATION - POSITIVITY SUMMER CAMP

SAVE YOUR MAGAZINES

To whom it may concern,

The Sumner County Sheriff's Office, in partnership with the Sumner County Anti-Drug Coalition and Sumner County Schools, is hosting the 2nd Annual C.H.A.M.P. Camp.

This camp is being offered during Summer 2019 to rising 6th, 7th, and 8th grade students in all our Sumner County communities. It provides the students with a multitude of fun and unique activities, one being arts and crafts.

One of the crafts planned will require a large number of magazines for the students to cut and paste. New magazine can be purchased but for potentially 200 students, it would be a lot of wasted paper that could be recycled.

If you receive random magazines in the mail or have unwanted magazines ready to throw away, **please donate them to your SRO for our camp**. The goal is to provide the students with an assortment of pictures and designs to choose from to create a unique collage.

Thank you for your dedication to the students of Sumner County and helping to strengthen the bonds of our communities!

Best regards,

Deputy M. Scott

(Sumner County Sheriff's Office SRO Division)
