

## 2020-2021 Shafer Middle School

### SVA Testing Schedule

Plan for **providing all safety precautions for in-person testing:**

- All students are expected to wear mask/face covering at all times while in the building.
- Upon arrival, students will enter building at Main Entrance and will be directed to testing location; they will be directed separately from students arriving late.
- SVA students will have temperature check upon arrival and after lunch; any student with a temperature of 100 or greater will see the school nurse for an evaluation.
- SVA students will remain separated from the general student population at all times.
- SVA students will remain socially distanced while at Shafer.
- Testing materials and environment will be sanitized.
- SVA students can bring a lunch on April 15, or they can get a lunch brought to them from the cafeteria.
- During lunch and break times, SVA students will remain separated from the general population.
- At dismissal, SVA students will be escorted outside to the main entrance for pick up.
