

Shafer Middle School

STUDENT HANDBOOK

2022 - 2023

ATTENDANCE INFORMATION

ARRIVAL TO SCHOOL:

Students arriving at Joseph E. Shafer Middle School between 6:50^{AM} and 7:35^{AM} are to report immediately to the gymnasium. Students should enter the building through the designated side gymnasium doors only unless permitted otherwise by a morning monitor. There is no eating or drinking in the gymnasium. Any eating or drinking should be done in the cafeteria only. The cafeteria will open at 7:00^{AM} for breakfast. No student will be allowed to leave the gymnasium or cafeteria between 6:50^{AM} and 7:35^{AM} to go to his/her locker. Students are to be in their first block/period class no later than 7:45^{AM}.

ATTENDANCE POLICY:

Sumner County Schools and Shafer Middle School recognizes that good attendance at school is basic to student learning. Simply put if students are at school they will learn. Students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

The Compulsory School Attendance Law in Tennessee requires children to attend school each day. A student who has been absent five days (this means a total of five days during the school year and not necessarily five consecutive days) without adequate excuse is considered truant and may be summoned to court. Whenever possible, attendance issues should be resolved at the school level. Prior to referral to a truancy officer, a meeting shall be held at the school to assist the family and improve student attendance. If unexcused absences continue to accumulate, the Director of Schools or his/her designee will report the parent and student to the Juvenile Court for further action.

Students will be considered absent in a class if they miss more than one half of that class period. Excused absences are those absences tolerated by the school system under the law because the cause and benefits of the absence to the student as verified by proof outweigh the benefits which would have been achieved by attending school. For absences of a full session/block/day to be considered excused, a written note from the parent or guardian must be provided. After the accumulation of five days of excused absences per semester, the parent/guardian must file more formal documentation to assure classification as a verified absence, i.e. note from doctor, court, etc.

Verified Absences

Adequate reasons for verified absences include the following: 1. Student's personal illness, medical appointment, or hospitalization verified by a licensed physician, dentist, or health agency. If the illness or hospitalization is to exceed ten

consecutive days, the parent or guardian should apply for homebound instruction after the first five days of consecutive absences.

2. Death of a family member. (Note or program from the funeral home must be provided) Death of a non-family person if approved by the principal.
3. Special recognized religious holidays regularly observed by a particular faith. A parent note must be submitted to the principal for verification prior to the student being absent for a religious holiday.
4. Required court appearances. Verification of court appearance times from appropriate authorities must be provided.
5. Approved school related activities. Prior approval is required.
6. **Vacations/Trips with prior approval by the principal. A note from the parent/guardian shall be submitted at least five (5) school days prior to any vacation or trip. Principal approval is required. Vacations/Trips taken without prior approval will be considered unexcused.**
7. Other extenuating circumstances beyond the control of the student. For such absences to be excused, they must be approved by the principal or his designee.

Upon the first day of returning to school, it is the student's responsibility to make contact with the teacher(s) regarding make-up work. During the school year, make-up work must be completed within a number of days equal to the number of consecutive days of the absence. Board policy JB.

EARLY DISMISSAL:

During the school day, all students are expected to remain in the school building from the time they arrive on school grounds until the end of school in the afternoon. Students who must leave campus during school hours must have an approved early dismissal slip from the principal/principal designee. It is the responsibility of every student who leaves school early to have their parent(s) sign them out. Any student who does not sign out will be considered skipping. Students must leave through the front entrance and must leave the campus immediately upon being dismissed. If a student returns to school after having checked out, he/she must sign in.

DISMISSAL:

Dismissal from a regular school day begins at 2:45 with a staggered dismissal procedure. All car riders, walkers, Unity students and athletes participating in practice for the day will be dismissed. Students who are walking home should leave the building immediately through the front entrance. Students who are car riders should report to the front entrance of the building. For safety reasons, cars should follow the normal

drive through and should not park in the parking spaces. Once students leave the building and campus at the end of the school day they should not return without approval from an administrator. Unity students should report directly to the cafeteria and all athletes should report to their locker rooms or practice field immediately. Bus riders will be dismissed to the gymnasium for dismissal to their buses.

COUNSELOR - ADMINISTRATOR CONFERENCES:

A student who is in conference with a counselor or administrator during class time must provide written proof of the conference to the teacher in order to be excused from that class. Parents or students who wish to meet with a counselor or an administrator should make an appointment in advance. Students who wait around in the hope of having a conference are not considered to have a legitimate reason to miss class.

PERFECT ATTENDANCE:

Perfect attendance for Joseph E. Shafer Middle School is defined as no absences for any class during the school day and no more than three (3) tardies unexcused tardies to school during the school year.

REQUEST FOR MAKEUP WORK:

The office will provide make-up work once a student has missed more than two (2) consecutive days. Make-up work must be requested through the front office no later than

9:15AM on the day the work is to be picked up. Work will not be available on the same day if the request is received after 9:15AM. This will give teachers adequate time to prepare the materials. **Work can be picked up in the main office after 2:00PM.** If make-up work is not picked up, it is the responsibility of the student to collect the work upon his or her return.

RETURNING FROM AN ABSENCE:

When returning to school after an absence, students must have a note from the office in order to be admitted to class. 1. Report to the main office and sign in.
2. Obtain an admit note from the main office.
3. Any student who is late to school more than three (3) times in a nine-week period will be assigned a detention.
4. Any subsequent tardiness will result in a face-to-face conference with an attendance team member, student, and parent.
5. Continued tardiness will result in a notification to the Sumner County Attendance Office. Board policy JB.

TARDINESS TO CLASS:

Students are expected to be in the classroom when class is scheduled to begin. Students who have a valid pass from an administrator, the office staff, counselor, or another teacher will not be marked tardy.

1. First and second tardy without a pass will result in a warning and be recorded in the teacher's Green Book.
2. Third offense will result in a detention.
3. Subsequent tardiness will be referred to an administrator.

CARE OF PEOPLE AND PROPERTY:

- **Emergencies:** The school has a comprehensive emergency plan which will be practiced and reviewed annually. Basic contingencies include the following:
 1. In drills requiring students to exit the building (fire, bomb threat, etc.), everyone should move quietly and quickly to the designated exits, move away from the building, and report to the football practice field.
 2. In severe weather (high winds, tornado, etc.) drills, everyone should report to the hallways and assume the safety position per directions given.
 3. In the event of a lock-down, everyone (student, employees, and guests) should remain in place. If you are in a hallway, enter the nearest classroom and remain there until told to do otherwise. Your safety and the safety of others may depend on your responding as directed during a lock-down.
