

## **Green Wave Ambassadors**

New students coming to Shafer Middle School now have someone they can connect to immediately when they enter their first class. The Green Wave Ambassador program is designed to help new students when they transfer to Shafer Middle School. Some of the major goals for the Green Wave Ambassadors include the following:

- To be a friend and introduce the new student to others
- To give helpful information and answer questions
- To help the new student understand Shafer's expectations, procedures, rules, etc.
- To help ease any anxiety
- To make sure the new student adjusts successfully

The Green Wave Ambassadors are students nominated by classroom teachers at each grade level. Currently, there are 28 ambassadors.

If you have any questions or concerns, please contact the school counselors, Becky Horacek or Tammy Twyman, to receive additional information.
