Parents,

We want to let you know that Sumner County Schools has suspended online TNReady testing today due to recurring technology issues with the state testing platform.

Most districts across the state are experiencing similar issues and the state has informed us they are working to correct the problem.

It is our hope that this issue will be resolved today and online testing will resume on Wednesday.

We are as equally frustrated as our teachers, students, and campus leaders by the continuing problems with the state testing platform. These interruptions to our testing schedule cause undue stress on our teachers and students. We are doing our best to minimize the stress that these disruptions at the state level cause to our local school environments.

We will keep you informed of any additional information that is provided to us by TDOE.

In highest regard,

Dr. Del R. Phillips III, Ph.D
Director of Schools
